Impressions Forever strives to capture every detail of the hands and feet, through innovative 3D castings available in variety of metallic shades, Beautiful imprints guaranteed to touch your hearts every time you see them.

At Impressions Forever, we know how quickly our children grow and we recognise the fast life fades away our blissful memories of their little self. We aim to create a time capsule by designing a bespoke product with you and your baby that includes 3D impressions and photographs. The casting keepsakes are true to life and capture fond loving memories for years together.
