Abhyaas Special School – special education school in Model Town is a trusted centre dedicated to nurturing children with special needs through personalised learning and therapeutic support. The school provides a safe, inclusive, and encouraging environment where every child is understood, respected, and guided to achieve their full potential. With a child-centric approach, Abhyaas Special School focuses on academic readiness, life skills, communication development, and emotional well-being.

As a leading **special education school in Model Town**, Abhyaas offers structured programs for children with autism, ADHD, learning disabilities, developmental delays, and other special needs. The curriculum is thoughtfully designed to suit individual learning styles, ensuring steady progress at a comfortable pace. Small group sessions and one-to-one attention help children build confidence and independence.

The school is also supported by an experienced **occupational therapist in Model Town**, who plays a crucial role in improving fine motor skills, sensory integration, daily living skills, and overall functional abilities. Therapy sessions are integrated seamlessly with educational activities to create a holistic development plan for each child.

With a compassionate team of special educators and therapists, Abhyaas Special School partners closely with parents to track progress and set meaningful goals. The school stands as a reliable support system for families seeking quality special education and therapeutic care in Model Town.
