AUDHE Industry was established and registered in the year of 2010. From humble beginnings, AUDHE Industry has grown from a "small operation" into an organization that boasts a modern range of products and services to accommodate the ever changing needs of our clients and the environment in which we live. We Manufacturing & Supplying of Aluminium casting & CNC machined components using in Hydraulic, Automobile, Textile and General Engineering Component. AUDHE Industry provides services that are suitable for the local, government, private, commercial/industrial sectors.

"We stand out from the crowd" because our strengths lie in being privately owned company. Our Organization is calibrated to deliver components in numerous geometries and varied metals. We have 25 years of industrial experience, we are well aware of all the aspects of components and can manufacture almost any components, as desired by our ;
