- **1-YEAR WARRANTY** – We ensure the best customer experience and hence offer a 1-year replacement warranty.
 - **POWERFUL & QUIET MASSAGE THERAPY** – The power-packed 46-S2 motor offers 3200 percussions per minute with professional-grade deep muscle therapy meaning the beatXP Blaze Elite Handheld massager will not easily stall out when met with too much pressure and resistance.
 - **DEEP VIBRATION MASSAGE** The Deep Vibration Massage of 8MM depth helps in reaching the tight knots created in the tissue with 54 Percussions per second helps you to relax in 30 seconds.
 - **LONG ERGONOMIC HANDLE** – Long Handle Length of 13cm compared to other brands of massagers ensures that the massager can be easily used to massage difficult to reach areas and can be held in more number ways. It also ensures lesser strain on hands while using the massager.
 - **FULL BODY SLIMMING & TONING MASSAGE** – Multiple attachments & speed regulator ensures the handheld massager is suitable to massage all intensities of pain & body parts i.e. Arms, Feets, Calves, Lower Back, Thigh, Upper Back, Neck, Shoulder, Waist & Stomach. It is highly effective in tightening the loose skin and dissolving excess fat in your body.
 - **MULTIPLE ATTACHMENT HEADS** – The Rolling Ball Head helps in relaxing tense muscles & improves blood flow suitable for Thighs, Abdominal area, and other Large Muscle Groups for complete relaxation. The Ripple Head is useful to relieve muscle fatigue on the Shoulders, Neck and other body parts while the Scraping Head is especially useful for tightening the loose skin and dissolving excess fat and helps in removing dead skin.
