VR Group, a **leading real estate developer in Vadodara** We have been serving people of Vadodara with our best residential and commercial projects. It has been our perseverance to give our clients and customers the best we can. With a decade of experience dealing into commercial & residential properties of Vadodara, we have achieved the trust of our clients and strong knowledge for better project accomplishments in the future.

The Journey of VR Group started a longtime back with the dream of our noteworthy Directors. They ventured into the real estate world in Vadodara with immense self-belief and visioning opportunities for good work in Vadodara. Their simple dream to make better infrastructure facilities for every project has led to the invaluable legacy of V R Group. It was because of the collaborated vision of our directors that VR Group has achieved heights of success. The final aim to keep customer satisfaction as the center of all the project designs and amenities has been a key factor in our growth.
