BioCorp Life Sciences Pvt. Ltd. is an ISO Certified PCD Franchise Company which has a complete range of WHO certified facilities with high stability and shelf life products. We enable you to start your pharma business with low investment and help you establish it long term. Biocorp has tied up with GMP Certified Companies with world class manufacturing facilities across the nation. Biocorp Life Sciences is bound to expand its business horizon by appointing distributors with monopoly rights.

The company has already launched a complete range of pharmaceutical products and is continuously expanding its business by expanding its distributor network rapidly. Companies goal is to tap the global market, therefore we are planning to launch massive programs for better pharmaceutical manufacturing and drug delivery models across the globe. We are focusing on to expand our product range so as to meet your business needs. Our product development team constantly works towards adding innovating molecules to our kitty.
