Bioinus is an integrated skincare and hair-care centre provides skin, hair, and body treatments using cutting-edge technologies and methods. We concentrate on high-quality beauty treatments delivered by a skilled team of aestheticians. It was created and established to cater comprehensive skin and hair care treatments to patients with utmost attention. With years of expertise and a team of highly experienced doctors this clinic uses cutting-edge medical technology and machines to cater services in the fields of Cosmetic Dermatology, Cosmetic Surgery, Anti-Aging, Body Shaping, Non-Surgical Face Lift, Hair Rejuvenation, Permanent Make-Up, and Weight Management. Bioinus, the best skin clinic in Siliguri, is committed to providing complete customer satisfaction. We work hard to ensure that our clients are completely satisfied and content with our excellent services and results. We make it a point to address all of our clients' skin and hair concerns.
