Welcome to Biotic Healthcare, India – A WHO & GMP certified pharma franchise company with 300+ multi speciality products like exclusive General range, Derma range, Gynae Range and Cosmetic ;

As a WHO & GMP certified Pharma Franchise product company, Biotic Healthcare comes with Rich Pharmaceuticals expertise and deals in various therapeutics like Antibiotics & Antimicrobials, lactams, Analgesics & Anti-inflammatory, Antiulcerents, Antacids, Expectorants & Anti-Tussives, Neutraceuticals, Anti-Allergic, Skincare, Ointments, Injectables, Ear, Eye drops, pro-fertility range, skincare products and a huge range of Herbal Products. Biotic Healthcare is an ISO 9001:2015 Certified Pharmaceutical Company and has been getting its manufacturing only from WHO & GMP certified facilities for offering reasonably priced medicines in this largely multinational dominated environment. We have tied up with GMP Certified Companies with world class manufacturing facilities at Excise free Zones in Himachal Pradesh, which provides us the best possible quality for our products. Biotic Healthcare is continuously expanding its business at various fronts by appointing new Pharma franchise/wholesale distributors/sole distributors/product monopoly. In order to tap the global market, the company is planning to launch massive programs for better pharmaceutical manufacturing and drug delivery models across the globe. We are focusing on the export market with the prime objective to get a very strong establishment abroad. Our R&D team is focused to find out innovative therapies the human race.
