Bliss Natural is a complete Feminine Hygiene Products Brand in India. It was founded in 2018. The product's main advantage is that it is completely plastic-free. Bliss Natural is one of the best organic brands in India. Its products are extracted from natural ingredients like Kenaf. Bliss Natural Promises a Rash-free and itch-free time during periods and non-periods. It is entirely beneficial for women's hygiene and society. This Brand is an effective choice for women seeking comfortable and thoughtful menstruation and other hygiene products. Every year, Bliss Natural disposes of 1,13,000 tons of sanitary napkins and other products, a massive amount worldwide.
