Booming Bulls Academy, a stock market training institution, is a leading name in the field of stock market education. Founded by Mr Anish Singh Thakur in 2019, Booming Bulls Academy has successfully mentored over 30000 students in just three years of operation and amassed 2 million-plus subscribers on YouTube. Through its well-researched and real-life-trading-based curriculum, Booming Bulls Academy equips its students to earn consistent profits from the stock market in a simple and efficient manner. Having learned from top experts in the field of stock market, the CEO and educator of Booming Bulls Academy, Mr. Anish Singh Thakur, has formulated a practical approach with his own solid and well-tested strategies. The vision of Booming Bulls Academy is to lead its students on to a path of financial independence. In addition to its free YouTube Channel, Booming Bulls Academy provides training as well as guidance through its Booming Bulls Trading with data science .
