Thiruvananthapuram, known as the "Evergreen City of India," is the capital of the state of Kerala. The city, on the other hand, never sleeps. As it has been a dream of practically everyone who lives outside of Trivandrum to come here and start a business, the desire to own a home in Kerala's capital is never far from the top of the list. Various sorts of housing can be found here (dwellings). It can be either a flat or an apartments in Trivandrum.
