Prabhuji Pure Food is a heritage-rich Indian snacks and sweets brand rooted in the legacy of Haldiram Bhujawala. Since its origin in 1937-with founder Ganga Bishen Agarwal's humble bhujia shop in Bikaner-the company has grown into a trusted name for tradition, purity, and taste.

Based in Kolkata, Prabhuji combines decades of experience with modern food-processing standards, offering a wide range of ready-to-eat treats. Their portfolio includes traditional namkeens, savoury mixes, classic Indian sweets, dry fruits, and beverages - all prepared with hygienic processes and premium ingredients.

As a brand, Prabhuji Pure Food stands for authenticity, quality, and joy. Their products capture the rich flavors of Indian culinary heritage while meeting rigorous standards of food safety and freshness.

The company delivers across India via its e-commerce platform, making it easy for customers to enjoy beloved Indian snacks and sweets from the comfort of their homes.

Backed by a strong business lineage and a commitment to innovation, Prabhuji Pure Food continues to delight longtime fans and new generations, staying true to its promise - "joy and taste in the purest form."
