The benefits of brewing a **Sticky Chai** are endless. Calmer Sutra manufactures an amazing range of sticky chai including- Calmer chai, Dandi chai, Vegan chai and Golden chai. The special aromatics included in sticky chai are Ginger, black pepper, star anise and turmeric. All these ingredients have anti-bacterial, anti-oxidant and anti-fungal properties which are natural remedies for bloating, sore throats, and coughs. We add natural sweetness to our products, if you want to satisfy your sweet cravings in a natural way with our sticky chai, then visit our website and order your favourite flavour now!
