Meet Coach Camber

Camber has over 42 years of experience as a coach. He has worked with clients from all over the world, including key leaders from well-known organizations. Camber's typical clients are leaders who have had ENOUGH of life at the level of FINE and want to have a life with deeper satisfaction and fulfillment.

Common feedback from clients: life-changer, transformative, and instrumental.

Strengths include high-skill listening and helping clients find solutions for their own life. With decades of experience, there is no scenario he hasn't seen.

COACHING AND ORGANIZATIONAL LEADERSHIP EXPERIENCE

Camber has two primary areas of focus as an executive coach: highly effective women leaders and start-up founders.
