Cavalier Carpets is a trusted British carpet manufacturer with a proud heritage of over 50 years in designing and producing carpets for both residential and commercial spaces across the UK. We offer wool and synthetic options, perfectly suited for hotels, pubs, restaurants, mosques, and boats. Cavalier Carpets provides a personalised experience, allowing customers to order free samples and use their innovative room visualiser to preview carpets in their own spaces. This tool also provides the ability to recolour from a portfolio of over 1000 designs, empowering customers to create their own unique carpets. With expertise in Hospitality, Sport & Leisure, Marine, Gaming, and Residential Developments, we work across multiple sectors.
