Centre for Maritime Training Institute is a public co-educational college located in Noida. Centre for Maritime Training Institute was formed with the objective of imparting marine-related training to seafarers and thereby achieving an overall improvement in the quality of seafarers.

Our core strength is our team of faculties, which consists of Master Mariners, and Chief Engineers who have been sailing till the recent past and are updated with the latest trend of knowledge and competence required in the industry. The fully air-conditioned classrooms with modern simulators and audio-visual equipment provide a conducive learning environment.
