Chavan Hospitals is a premier multi-specialty hospital committed to providing advanced, patient-centric healthcare. We specialize in **oncology, neurology, cardiology, orthopedics, nephrology, gastroenterology, pulmonology, urology, gynecology, pediatrics, general surgery, and critical care.**

Our **oncology** unit offers chemotherapy, radiation therapy, and surgical oncology, while our **neurology** team treats stroke, epilepsy, and Parkinson's. The **cardiology** department provides angioplasty, bypass surgery, and heart disease management. We excel in **orthopedic care**, including joint replacements and spine surgeries, along with expert **nephrology** services like dialysis and kidney transplants.

We also offer **gastroenterology, pulmonology, urology, gynecology, pediatrics, and emergency care.** Our **24/7 critical care, ICUs, and advanced diagnostics** ensure precise treatment. At Chavan Hospitals, we combine expertise, technology, and compassionate care to deliver high-quality, affordable healthcare.
