CONTINUA Kids (Centre of Neurotherapy In Uniquely-Abled Kids) Amritsar is a research-directed, holistic center, imparting medically supervised therapies, early intervention programs, and support for uniquely abled children. The center is unique in its own way as it provides all the scientifically proven, individualized therapies which are required for special children under one roof. We offer treatment for conditions such as Autism Spectrum Disorder, ADHD, and Cerebral Palsy with the help of Occupational Therapy, ABA Therapy, Speech Therapy, Special Education, and Physiotherapy.
