Mobile Number**Email**

richard@cosensa.co.uk

Originally established as a training provider in 2003, we are registered as a Limited Company in Scotland with our main offices in Belfast and Stirling however we also cover the whole of the UK and Ireland. As a result of our incredible network of over 130 training professionals throughout the country, we are a training provider able to provide so much more than training, including business consultancy, coaching and executive development.
