Cosmederma Remedies is a prolific company specialized in Dermatology and cosmetology. The Company is best known for its excellent range of products which are exclusively researched and manufactured for unmet needs of patients. Being one of the top Derma PCD Companies in India, Cosmederma Remedies is excellently expanding its presence by providing its franchising opportunity at PAN India level. Our Derma product range covers Acne, Eczema, Contact Dermatitis, insect bite, Fungal infection, Sun Burn, Hair loss, Vitiligo, Melasma, Psoriasis etc. Our product meets the quality standards and serves patients with an aim to enhance the skin quality and provide cure from skin and hair related issues.

Our capability to carry out large scale production also makes us one of the leading third-party derma product manufactures in India along with the marketing company. We have a team of high professionals in our all departments like research and development, manufacturing, quality assurance, packaging, marketing, and others. This keeps the flow of quality work on the track, that's how we meet the expectations of our clients and patients.

Under the able leadership of our mentor, Mr. Rahul Marwaha (CEO), we have been able to carve a strong foothold in the domestic market. Owing to his strong business insight and rich industry experience, we have been able to provide the utmost level of contentment to our clients.

We make sure that the products that we supply are affordable so that more and more people could use them. The company believes in its role of changing the outlook of dermatology and cosmetology industry by introducing groundbreaking products in the market over the years. We value the trust and faith our customers who have always choose our products and thus, go extra miles to meet up their expectation through our efficient derma product range.
