DrCosmeticDermatologist@gmail.com

Dr. Rinky Kapoor, a dermatologist of international renown and one of the foremost in India, is the founder of the organization Skin Doctor India. She is one of India's top dermatologists and skin surgeons, having received multiple awards. She is a co-founder of The Esthetic Clinics and currently serves as its Head of Dermatology. In addition to treating common skin conditions, Dr. Kapoor also performs several cosmetic surgical operations on the skin, including microdermabrasion, peels, and fractional CO2 laser therapy, to mention a few. All modern dermatological procedures, including non-surgical ones, are carried out at The Esthetic Clinic. There are issues with the skin aside, several aesthetic concerns with the hair and nails, dandruff, fungal infection, etc.
