CoupleMantra is a global leader in online couples counseling, relationship counseling and sexual health solutions, helping people across 40+ countries build healthier, happier, and more fulfilling relationships. With personalized therapy plans, AI-led matching, and 24/7 expert availability, we make it easy for couples to access professional support anytime, anywhere. Our platform brings together licensed therapists, evidence-based counseling methods, and secure digital tools to address issues like communication gaps, trust concerns, intimacy challenges, and conflict resolution. CoupleMantra is proudly backed by \$15M in funding from Impanix Capital, enabling us to expand our mission of making relationship counseling accessible and effective for all.
