My name is Christopher Paul and I work as a Marketing Manager at Trupp Global.

Trupp Global is a professional data entry service provider that is known for competitive pricing and a higher rate of accuracy. We have a deeper understanding of the importance of data to a company that makes us offer the right data entry services to our clients. Our data entry services include online data entry, offline data entry, image data entry, survey form data entry, etc. Our team is capable of taking a higher volume of work and delivering it within the stipulated time. At Trupp Global, we maintain consistency in delivering data entry services to our clients as we focus on accuracy, quality, and faster turnaround time. With a team of highly professionals and the latest technologies, we strive to give our clients high-end quality project delivery. Read more: <https://www.truppglobal.com/services/data-entry>
