Established in 1999, Dieci Ontario is the leading construction equipment brand operating in Toronto, Canada. We are one of the fastest-growing ariel lift companies with a long list of satisfied clientele as our most important asset. With a strong dominance in the market, we enjoy a monopoly in providing construction equipment for sale and rental purposes. We believe in proffering top-notch products to the construction giants looking for the best quality at optimum and customized rates.

The brand "Dieci Ontario" is a synonym for high-capacity telehandlers produced for construction companies. It is a name that reflects trust and assurance of the quality of our products. Our extensive experience and products have made us enjoy the market leadership. Apart from telehandlers, we give huge competition in the market for mining applications and other high-end special machines used for civil protection, fire department, dumper, special attachments, etc. Call our toll-free number at 1-833-743-2500 or email your query at info@dieci-ontario.com to connect with us for your requirements.
