Mobile Number	9833006252
Email	info@dineshtube-india.com

Dinesh Tube (India) is associated with many of the best manufacturers of steel industries in order to supply high quality & testified material/products. We can arrange for material against CT3/ARE4/H forms for exports. As registered dealers, we provide Modvat invoices so that you can avail of excise duty benefits. Additionally, we can also help you in importing any material/product strictly adhering to your preference & quality constraints. We can arrange chemical, physical, mechanical, ultrasonic, micro, IGC and any other related test from govt. approved laboratories. Third party inspection of our material/product has been always welcome in our business.
