At Dr. Liji's Skin Clinic, we treat all skin concerns with expertise. We specialize in clinical and aesthetic dermatology under the leadership of Dr. Liji Varughese, a board-certified dermatologist with an MBBS from KJ Somaiya Medical College and an MD in Dermatology from AJIMS. We offer treatments for acne, hair loss, melasma, and several fungal and viral infections. Our advance treatments include laser toning, acne scar resurfacing, pigmentation reduction, and laser hair reduction for lasting results. We provide medical facials, chemical peels for a radiant glow, and PRP treatments to support hair health. We offer mole, skin tag, wart, and tattoo removal treatments. At Dr. Liji's Skin Clinic, we support your journey to healthy skin.
