Dr. Ponnanna is widely recognized as one of the best orthopedic doctors in Bangalore, offering specialized care in arthroscopy and robotic joint replacement surgery. With extensive international training from renowned institutions in Australia and India, he brings a high level of expertise in treating complex conditions of the shoulder, hip, and knee. His approach blends advanced surgical precision with a strong focus on conservative treatment methods, patient education, and personalized care. From minimally invasive shoulder procedures to state-of-the-art robotic knee replacements and modern hip surgeries like SuperPATH, Dr. Ponnanna ensures each patient receives treatment that is both effective and suited to their individual needs. He currently consults at top medical facilities, including Opera Bone & Joint Clinic in Malleshwaram, delivering accessible and trusted orthopedic care to patients across Bangalore.
