Dr. Rajeshwari Ganesh is a highly experienced Developmental and Behavioral Pediatrician based in Mumbai, with over a decade of dedicated practice in the field. She specializes in conducting detailed developmental assessments and comprehensive medical evaluations to diagnose a wide range of behavioral and developmental disorders in children. At the various centers she is associated with, Dr. Ganesh provides compassionate counseling and guidance to parents, helping them understand their child's unique needs and challenges. She also collaborates closely with therapists to design individualized intervention plans and continuously monitors each child's progress, ensuring steady improvement and holistic developmental growth.
