Dr Sahni's Dental Clinic in New Friends Colony is an idea that is rooted deep in nature and science. This is a healing abode, where one rests in peace to find care and affection. As the most skilled and experienced lot in the field of Dentistry attend to their friends in need, our patients here aren't treated for the sake of it. Here each one is given an appointment and the said time is devoted to him or her. It is about their entire well-being, oral well-being. It is said that oral hygiene expresses a lot about the overall health of a human. True it is that a smile mired in pain isn't one free. We offer you happiness and your smile is a reward for the world
