Dr. Shaiil Gupta is MBBS, MD (Dermatology) from the prestigious Maulana Azad Medical College, Delhi and has worked in GB Pant Hospital, LNJP hospital and GTB hospital. He is a renowned Hair transplant surgeon with more than 100k+ successful hair transplant surgeries to his credit. Dr Shaiil Gupta has an experience of over 100k+ hair transplants and more than 1000 repair surgeries. He is a world class surgeon with his training in speciality areas like repair hair transplants, synthetic hair implants, combination techniques & body hair transplants. Dr. Gupta is a qualified doctor with Masters in Dermatology and association with most renowned hospitals in India such as GTB Hospital, LNJP and GB Pant. He has had a world class exposure to medical advancements in the field of hair transplantation at countries such as Dubai, Italy, Thailand and Korea. The doctor has to his credit 100k+ hair transplant surgeries that include FUT, FUE, Body hair transplant and Synthetic hair transplant.

Besides being an experienced & skilful surgeon, Dr. Shaiil Gupta is also a subconscious healer. This comes very handy to motivate the victims of bad hair transplant. Dr. Gupta is a musician, writer, singer & composer as well. Now this adds a totally different dimension to his work, perhaps that is the reason why we see a huge artistic difference between Dr. Shaiil's work & any other hair transplant surgeon's work.

Dr. Shaiil Gupta is the only surgeon in the world who uses & has mastered all the techniques of hair transplant. That is the reason why Dr. Shaiil Gupta receives love, appreciation & respect from all over the globe.
