Dr. Sneha Sharma is a leading psychiatrist in Delhi, renowned for her patient-centric and holistic approach to mental health. With over 12 years of experience and an MD in Psychiatry from Lady Hardinge Medical College, she specializes in treating depression, anxiety, OCD, ADHD, addiction, and emotional wellness across all age groups. Founder of Anvaya Healthcare in Dwarka and Vasant Vihar, Dr. Sharma is committed to breaking stigma and delivering compassionate, evidence-based care. Her expertise in both medication and therapy, combined with a warm, understanding approach, has earned her a reputation as one of the **best psychiatrists in Delhi**. Whether in-person or online, she ensures every patient feels heard, supported, and empowered.
