

# Dynamics Square

**Address** Suite 19/103 George Street, Parramatta, NSW 2150, Australia  
**Contact Person**  
**Mobile Number**  
**Email** dynamicssquareau@gmail.com

Dynamics Square is a leading Australian IT Consulting company offering enterprise software solutions and related technology services, run by a team of highly experienced technical experts and savvy consultants. We are implementation partners of Microsoft Business Solutions, most notably Microsoft Dynamics 365 Business Central Demo & Implementation, Microsoft Dynamics NAV Upgrade, Microsoft Dynamics AX Upgrade, Microsoft Dynamics CRM, Microsoft Dynamics SharePoint, Microsoft Power BI, Microsoft Azure and Microsoft Office 365.

Our core specialties lie in implementation, configuration, customization, strategy, support, upgradations, migration, integration, business app implementation, power platform, and portals. We customize the solution for you in such a way that your business processes get integrated with it seamlessly and your personnel feels empowered working on it, being able to raise their level of work. We support our customers 24\*5 to ensure that their Dynamics 365 solution works round the clock for uninterrupted business operations and consistent quality. Our help desk is there to take calls and escalations immediately to ensure any kind of inconvenience experienced by our clients is put to rest within no time.
