Established in 1984, EAGO enterprise ltd. expertise in the fields of digital signage, player, and water filters. Started as a distributor of selling LCD monitor, we developed industrial touch display, monitoring display, medical display and other professional display devices.

In 2000, EAGO enterprise became an ODM Company and began to offer a range of products with features and customized options.

As a professional and reputable manufacturer and supplier for Casino Gaming, Kiosk Vending Industry, Digital Signage, Digital Display and Water Filter, EAGO ENTERISE devotes itself to developing and providing a complete portfolio of Digital Signage solutions and Gaming spare parts: from IC/Chip Set, Complete Casino Slot Machine to LCD Screen, LCD Display, TFT LCD to name a few.

In recent year, throughout our non-stop efforts, we also started up to provide the Water Filter equipment for home use including water filter, R.O. Water System, pitcher, shower filter, cartridge and other water parts. Our concept is to meet the needs from the market and to fulfill the wishes from our clients. We are attentive to details and qualities yet the products would be based on a reasonable price at the same time. Our vision is to offer up-to-date model every year in our product line. We are dedicated to being a reliable partner to the clients and to building up the partnership worldwide. EAGO ENTERPRISE provides a full range of digital solutions and water filters. We look forward to being your reliable partner.
