We are a leading Natural Coconut Husk Chips Manufacturer in Tamilnadu, offering premium-grade chips ideal for horticulture and landscaping. Our products are made from 100% natural coconut husks, ensuring excellent moisture retention and aeration. They are widely used in orchid cultivation, hydroponics, and as a sustainable growing medium. Processed with precision, our chips are dust-free, eco-friendly, and long-lasting. We maintain strict quality control to meet international standards. Choose us for reliable supply and competitive pricing across India and abroad
