ELKOS products are manufactured under the strictest quality control in a highly evolved state of the-art infrastructural facility located in Kolkata, India covering 2,25,000 square feet.

Our products have a worldwide acceptance and are appreciated for their best quality, best price and timely deliveries. The superior quality of our pens is maintained by our own manufacturing facilities, auto assembling machines and well qualified R&D team equipped with Korean - Japanese modern technologies that constantly research and develop new and existing products as per consumer and market requirements.
