Everlite, by **Senco Gold**, is a premium jewellery brand specializing in lightweight 22K gold and diamond designs. As a trusted name in fine jewellery, Everlite offers an exquisite collection that combines timeless elegance with modern sophistication - from engagement rings and cocktail rings to earrings, bracelets, pendants, and bangles.

At Everlite, you can shop by style (, engagement, casual, platinum), by metal and gemstone (gold, rose gold, white gold, diamond, platinum), and by other curated collections like the *Infinity*, *Lotus*, *Zodiac*, *Shakti*, and *Queen Bee* series. Their product range also includes men's and children's jewellery, plus coins, bars, and light-weight "beans" that retain the purity and richness of 22K gold.

With a strong emphasis on customer experience, Everlite ensures secure payment options, hassle-free returns, and dedicated support. Their website also features free shipping, making their luxurious pieces accessible and convenient to own.

Based in India, Everlite's credentials include certifications like **PCI DSS**, **LRQA**, and **Great Place to Work**, emphasizing trust, security, and ethical working culture. Whether you're investing in a precious keepsake or selecting a meaningful gift, Everlite blends craftsmanship and purity with a modern design ethos - offering jewellery that sparks joy every day.
