The Kochi centre with state of the art technology and a set of skilled senior ophthalmologists will offer quality eye care at affordable prices. The real strength of The Eye Foundation is the group of nearly 50 highly trained and motivated eye doctors, nearly 100 qualified optometrists and nearly 400 staff members. The Eye Foundation is putting in place a strategy that will meet the needs of patients in at least a 100 kilometres radius around it by leveraging technology and mobile vans for reaching out to masses even in remote areas.
