Our hostesses are grounded in traditional Thai massage techniques and are ready to give you a full body massage according to these techniques.

Authentic Luxury Nuru Massage A whole new world of Sensual Indulgence

OUR TRADITIONAL

THAI MESSAGES

Would you like to be thoroughly spoiled?

You have plenty of choice from a number of different massages that we offer.

Would you like to surprise yourself or your partner?

Maybe this is what you are looking for

The lady may finish the massage with a body-to-body massage.

She treats your body with her naked oiled body.

She slides and twists over your back in a sensual way and brings you into a wonderfully relaxing ecstasy.

This massage is also a full body massage with sensual touch and intense erotic seduction.

This treatment promotes and increases sensuality, which can lead to fewer inhibitions.
