With over 7 decades of in-depth expertise and manufacturing experience, we offer high quality products in three categories - retail and hotels, hardware and lighting. Based in Montreal, Canada, we have a 100,000 square foot think tank where our team of designers, engineers and other manufacturing, storage and distribution professionals work.

At **Fermos**, we can promise you quality products at competitive prices. Some of our retail products are hanger bars, illuminated panels, shelves, gondolas, space savers, etc., while shopping carts, wall lights, TV stands, modular wall systems, etc., are among the products of the hotel industry.
