DAYCARE: We take care of KIDS from 1 year welcome to First crop Montessori school. Education is the most important to every child, First crop is a quality Montessori school in Salem. Montessori education has entirely different approach is based on self directed activity, and children want the same thing that we want to be confident to face the world. Learning fun, When children play they feel great and happier and their creativity made a magic. Children should face the world with bold and confidence. Here we have highly professional teachers to train our kids. Every child has some great talent, we just make them true in his own way. Our teaching process that help to face the world with confidents and ready for imagination, concentration, self confidence, social skills and everyday challenges. Our school has spacious classrooms, highly professional teachers, social skills with extra curricular activities. Child can learn each good things in our school they feel much enjoyed and knowledgeable in everyday.
