Email	avantika.sanghvi@flomattress.com

- Flo Mattress is a revolutionary sleep solution designed to provide the ultimate sleep experience. It is crafted with innovative 3D Air-Flo™ Technology and the highest quality foams, ensuring optimal comfort and support. The mattresses are specifically designed to dissipate heat, allowing for cooler and more comfortable sleep, even in hot Indian weather conditions. They also feature aloe vera gel-infused cashmere fabric and a reversible design, allowing customers to choose their preferred firmness level by simply flipping the mattress.
