Fonada is the leading IVR/OBD provider with efficient information broadcasting tools to maximize brand reach. Connect with a large-scale audience using demonstrative solutions such as Number Masking, Bulk SMS & Calls, text and audio messages, and Missed Call platforms. Initiate your solution today. Fonada is your perfect solution partner, enabling consumers to explore a bigger contractual business space than ever before. With the help of automated indulgences, clients across India can regulate their customer interaction with just one touch. We provide multiple CLI's to twelve different locations through low discrepancy lines and clear audio output.
