From company financial management and corporate laws consultants to company formation and NRI tax filing, we are committed to helping you achieve financial success.

We are a firm of Chartered Accountants set up in 1955. Inspired by senior partner - Late Mr Anil Kamdar, we operate in an extremely professional environment and commit ourselves to the highest standards of technical knowledge in the areas of Foreign Exchange Laws, Income Tax and Corporate Laws.

We assist foreign companies in choosing an appropriate structure for their proposed operations in India. This could be a liaison office, branch office or a wholly owned subsidiary company in India. Our compliance team also assists them in maintaining these companies in India. We are a one stop shop - covering all aspects of operations - payroll processing, accounting, tax filings, transfer pricing etc for all foreign companies.
