

Governance Risk and Compliance Training

Address	California, United States
Contact Person	Kanika Tech Innovations
Mobile Number	
Email	kanikatechinnovationsus@gmail.com

At Kanika Tech Innovations (KTI), we specialize in providing end-to-end solutions for a wide range of Governance, Risk, and Compliance (GRC) tools including IBM OpenPages, Archer, ServiceNow, Onetrust, and Coupa. Our expertise extends to Analytics tools such as Cognos, PowerBI, Spotfire, and Qlik, as well as comprehensive QA Testing services. We are committed to delivering tailored solutions that meet the unique needs of our clients, ensuring seamless integration and optimal performance of these tools. Our services include implementation, customization, support, and training, empowering businesses to leverage technology for enhanced decision-making and operational efficiency. In addition to our solution offerings, we provide expert-led training programs for all the mentioned tools. Our training courses are designed to equip professionals with the skills and knowledge needed to effectively utilize these technologies, driving innovation and success in their respective fields
