Gravity Spa Come and enjoy a sensual massage in Kandivali with The Nuru Massage, an exclusive massage agency where the client's satisfaction is first. Everyone needs a pause from everything to recharge their batteries. Sometimes we may feel overwhelmed by work, family, friends and anxiety. A massage can be a perfect stress reliever for anyone.

The Gravity Spa massage is the perfect way to relax after a long, hard-working day. The masseuses from The Nuru Massage can make you feel amazing using their unique techniques. They are experts in nuru massage and know how to touch you in the right places to relieve all the tension and stress. You can choose from massages, including Nuru massage, body to body massage or Couples massage. No matter what you choose, your expectations will be exceeded

The body to body massage is also known as the body massage and is one of the most popular erotic massages in Mumbai.

The body to body massage lasts usually around one hour and it's a slow massage in which you will explore each other's bodies. With this exercise, you will notice a lot of benefits about your own sexuality and will discover new ways to feel pleasure.
