Dr. Neha Khurana is a trusted millennial skin expert and a board certified dermatologist who believes in holistic skin wellness. After practicing for 9+ years, she has built 'House of Aesthetics' with an intention to provide authentic guidance to her clients and accentuate the outer beauty to complement their inner radiance. For addressing skin, hair, and other issues, Dr. Neha favors a holistic strategy that frequently combines FDA-approved medical technology, at-home care, and dietary modifications. Dr. Neha's approach is result-oriented, and she believes in providing seamless treatment experience by using superior and painless cosmetic procedures that offer effective outcomes. She specializes in cosmetic operations such as injectable
