Housejoy offers a speedy and efficient one-stop shop for all of your home needs, from construction to maintenance. We make daily living easier by offering a variety of at-home services in 13 Indian locations that are solely delivered by recognised & qualified specialists.

The high-quality home services offered by Housejoy include plumbing, electrical, carpentry, appliance repairs, home cleaning, painting, beauty services at home, and interior/renovation/construction services. In addition to Bangalore, Hyderabad, Chennai, Delhi, Mumbai, Gurgaon, Pune, Coimbatore, Vijayawada, Surat, Baroda, and Ahmadabad, they also offer their services there.

The Housejoy Story: For single-family homes and residential properties, Housejoy is one of India's first customer-focused, technology-enabled Integrated construction management service providers.

Housejoy was established by Arjun Kumar, Sunil Goel, and Sanchit Gaurav in 2014. The business's founders, Arjun and Sunil, left in 2017. The company's CEO and founder, Mr. Sanchit Gaurav, is currently in charge. Legally speaking, Housejoy is known as Sarvaloka Services On Call Pvt Ltd.

To meet their demands for home building and improvement while maintaining quality and convenience, we work with clients across the india.

The business is a pioneer in offering geo-targeted technologies for home services. A user is presented all of the services that are offered in the area after choosing a location.

Similar to many other online sites, users can make payments using cash, banks, and online ways. The app had over 1 million users and over 500,000 downloads in its initial years, and it was well-known for being dependable.
