

Hylo Transmissions

Address	L48, Additional MIDC, Satara-415004, Maharashtra, India
Contact Person	Hylo Transmissions
Mobile Number	
Email	cycloreducer@gmail.com

Established in 1981, Hylo Transmissions has emerged as a leading force in India's transmission landscape, specializing in the design and manufacturing of advanced cycloidal speed reducers and cycloidal geared motors. With decades of expertise, we have cemented our reputation as a renowned enterprise dedicated to fulfilling transmission needs across various sectors, including oil and solids separation (oil drilling, refining, dewatering), pharmaceuticals, industrial and biological wastewater treatment, precious metal recovery, and food processing.
