Yes we do tattoo men too! We are also one of a few studios in Gujarat to be awarded 4/4 star rating by the Tattoo Hygiene Rating Scheme.Our studio is designed and created by female tattoo artist Shrrusti Oza. Tattoo stations are fitted with hygienic, purpose-built equipment. We operate a completely disposable system so that we have no need for scrub rooms or re-sterilised tools... making Velvet Underground Tattoo a reassuring clean and comfortable environment to get inked in.
