JEON DECOWORLD, founded in 2017 in Ahmedabad, Gujarat, is redefining interior architecture with a global touch. By 2024, we proudly began crafting our own innovative Soffit Ceiling and Wall Systems in India, bringing cutting-edge European designs to the Indian market. Our Soffit Panels, renowned for their elegance and functionality, have taken the Indian interior décor scene by storm, earning admiration from top Architects, Interior Designers, Builders, Projects and industry partners. With a focus on creativity, quality, and modern aesthetics, JEON DECOWORLD continues to set new trends, transforming spaces into works of art.
